**There are suggested readings from *Western Civilization* at the end of many of the introductory essays in the Omnibus book. These provide further historical background to the time period in which the Omnibus books were written. These readings are optional but will earn extra credit in History.

‡There are evaluations at the end of each of the Lord of the Rings Books that can be done for optional extra credit and exam prep. These are Optional Session A for *The Fellowship of the Ring* and *The Two Towers*, and Session XII for *The Return of the King*.
