

Grace & Truth

Co-op

Course Registration Form

By signing this form, you are agreeing to join a community that is committed to mutual support as we homeschool our children and prepare them for their callings with a Classical Christian Education.

Your commitment:

We understand that Grace and Truth Co-op is not a school and we as homeschooling parents retain the full responsibility for the education of our children. We will provide daily supervision and accountability. It is our responsibility to participate in the educational plan and do the necessary registrations to make sure that our children get credit for the required courses that will enable them to pursue their calling after high school.

We understand that Grace and Truth Co-op will be teaching our children from the perspective of the Sola-[Five Confession of Faith](#) and [Core Values](#). Robust discussion and debate are welcomed and encouraged in our classrooms and we as families are free to hold opposing views.

We will give three months' notice before withdrawing our students from any class and will pay the entire fee for the semester if we have to drop out before the end. This helps keep fees as low as possible for everyone.

We are responsible to source the required curriculum for each class. If we choose to rent from Grace and Truth Online, our curriculum fees are due by December 1 and are subject to change based on exchange rates. Rented books remain the property of the co-op but future members of the same family may rent the same Kindle account for free.

We accept that no COOP Venue Authorities or individual members of the co-op, nor any persons connected to the group, will accept any liability or be held liable for any claims arising from any accident or injury or fatality to myself/my child/ren while in the care of the group supervisors. We waive and abandon any claims which may arise both in my capacity as myself/parent and/or as guardian of my child or my ward and I expressly indemnify the Co-op Venue Authorities and the individual members of the co-op against any such claim which may arise or be instituted, whether such claims may arise from unforeseen acts or due to negligence. We give permission if and when we cannot be contacted for a qualified medical officer to treat my child in case of emergency or illness.

We will deal with conflicts according to the Peace Maker Pledge ([Peacemaker's Pledge | Institute for Christian Conciliation \(iccpeace.com\)](#))

A Registration Fee of R1000 per family (R500 if paid by November 15) must be paid before students are added to courses.

I have read and agree to the above commitments.
