Books

Each family is responsible to source their own books for each class. Grace and Truth Online provides book rental packages for some classes. These digital books remain the property of GTO but future students in the same family may rent the same Kindle account for free. Some of our books are available locally some need to be imported from America.

University Preparation Costs

High School Students must register with **Home Life Academy** to receive a High School Diploma. See the fees for International Students on their website. They must also take the **SAT** (a three hour multiple choice exam that covers mathematics, reading and logic skills. See the College Board website for registration fees, times and locations (<https://collegereadiness.collegeboard.org/sat>) (\$93 for 2019). You can use Khan Academy for free SAT preparation. After completion of grade 11 and taking the SAT exam you can apply to an American University (runs about \$80 but can be free if you do it before the early application deadline of November 1 (<https://www.masters.edu/admissions/undergrad/>)). You then submit your HomeLife Academy Diploma and American University acceptance letter to the **South African Universities Board** in Pretoria to apply for a foreign conditional exemption based on your American qualification (<https://mb.usaf.ac.za/united-states-of-america/>). See website for application fees (<https://mb.usaf.ac.za/>) (R530 for 2019). This conditional exemption will then become complete when you are accepted by the South African University. If you have a South African I.D. book, you will pay local university fees not international fees.
