Graduation Requirements:

Minimum 22 Credits (150 hours = 1 credit, 75 hours= .5 credit)

4 English, 3 History (one US History), 4 Math, 3 Science, 1 PE, .5 Personal Finance, .5 Health,

6 Electives (2 Foreign Language required, 2 Logic recommended, 4 Bible recommended)

Course Modes:

Live = Live Online: In these courses teachers and students meet together in real time for an interactive learning experience. Classes are limited to 15 students for maximum participation. Students complete assignments outside of class throughout the week in preparation for the live class meetings. Teachers do all the marking and grading. We require 4 students registered to open a class.

Coached: In these courses the teaching is done by textbook, multi-media, or video-lessons, or a combination of the three. We provide the student with a coach to mark his work and help him keep on track with the scheduled assignments.

You Teach: If you choose to use the provided materials but not our coach, then you as a parent are responsible to teach and mark this course and supply the registrar with grades in June and December.

Self-Paced: These online courses have automated grading. Parents who choose this option without a coach are responsible to monitor student progress and report grades to registrar when course is completed.

Estimated Cost Per Year for Minimum Graduation Requirements:

Grade 9	R45,000
Grade 10	R50,000
Grade 11	48,000
Grade 12	42,500

Prices are tailored for each student's educational plan so please request a quote.

These prices include registration, curriculum, and teaching. You must provide all needed technology, internet access and a small amount of printing.

About half of our costs are for American curriculum so those fees are subject to change based on exchange rate.
