Requirements:

Only Mathematics and English are required.

Course Modes:

Live = Live Online: In these courses teachers and students meet together in real time for an interactive learning experience. Classes are limited to 15 students for maximum participation. Students complete assignments outside of class throughout the week in preparation for the live class meetings. Teachers do all the marking and grading. We require a minimum of 4 students to open a class.

Coached: In these courses the teaching is done by textbook, multi-media, or video-lessons, or a combination of the three. We provide the student with a coach to mark his work and help him keep on track with the scheduled assignments.

You Teach: If you choose to use the provided materials but not our coach, then you as a parent are responsible to teach and mark this course and supply the registrar with grades in June and December.

Self-Paced: These online courses have automated grading. Parents who choose this option without a coach are responsible to monitor student progress and report grades to registrar when course is completed.

Estimated Cost Per Year:

Grade 3 & 5	R38,000	Bible, History, English and Maths without optional extras or electives
Grade 4 & 6	R43,500	Bible, History, English, Maths & Memory Period without optional extras or electives
