## GRACE & TRUTH CO-OP

### **Omnibus II Core/Honors Dialectic Level (Grade 7-10) Curriculum Plan 2024 Johannesburg**

#### **Appendix A**

##### **Books**

Each family is responsible to source their own books for each class. Grace and Truth Online provides book rental packages for some classes. These digital books remain the property of GTO. Some of our books are available locally some need to be imported from America.

##### **University Preparation Costs**

High School Students must register with **Home Life Academy** to receive a High School Diploma. See the fees for International Students on their website. They must also take the **SAT** (a three-hour multiple-choice exam that covers mathematics, reading and logic skills. See the College Board website for registration fees, times and locations (<https://collegereadiness.collegeboard.org/sat>). You can use Khan Academy for free SAT preparation. After completion of grade 11 and taking the SAT exam you can apply to an American University (runs about \$80 but can be free if you do it before the early application deadline of November 1 (<https://www.masters.edu/admissions/undergrad/>)). You then submit your Home Life Academy Diploma and American University acceptance letter to the **South African Universities Board** in Pretoria to apply for a foreign conditional exemption based on your American qualification (<https://mb.usaf.ac.za/united-states-of-america/>). See website for application fees (<https://mb.usaf.ac.za/>). This conditional exemption will then become complete when you are accepted by the South African University. If you have a South African I.D. book, you will pay local university fees not international fees. Please confirm the fees with the individual institutes.
