Course Descriptions

TOG Year 2 Literature Reading Competition

Tapestry of Grace is a Christian classical humanities curriculum that includes Charlotte Mason elements and a mixture of modalities (visual, kinesthetic, and auditory) to engage all different kinds of learners. This K-12 program includes student and teacher materials for the core courses of History and English (including Writing and Literature). It also offers elective studies (at age-appropriate levels) in Geography, Fine Arts, Church History, Government, and Philosophy. All subjects are integrated around a chronological study of history.

The name of the curriculum comes from the imagery of weaving a Tapestry. As founding author Marcia Somerville described it, “All of us are in history; we are all making it in this moment. History is God’s story of our lives, and the lives of many other people, all of whom He has created and called by name over the centuries for His own purposes, to give Him glory. He is the designer of a beautiful tapestry: time is the loom, creation is the warp, and human experiences are the threads. Each of us has a section of the tapestry to weave, and none of us sees the finished project here on Earth. We work from the back of the tapestry, according to a cartoon (an outline drawing, designed by the Master Weaver, that dictates our pattern) and without seeing the front, or finished side. We all choose our cartoon, our pattern. For all biblical Christians, that pattern is seen in God’s Word and Jesus’ life. God promises Christians that they are weaving a tapestry of grace and glory according to His will.”

This year, we will be doing Tapestry of Grace’s Year Three, which will take us from the year 1800 up until the Boxer Rebellion and the Second Boer War.

In Unit 1, we will study Napoleon’s World, some of the American Presidents and changes made to their government, as well as South America transitioning.

In Unit 2, we will study impact of other American Presidents, how the West was won by traveling the Oregon Trail and how the “sun never set on the British Empire” during Queen Victoria’s reign.

In Unit 3, we will study the Civil War, the governing countries in the East and the age of the first technological advances.

In Unit 4, we will see how Africa enters the world stage and continue discovering more innovative ideas from inspiring men and women of history.

The Lower Grammar class will be reading living books that correspond with our historical timeline. History will come alive as we dive into the stories of how God allowed events to unfold in His beautiful creation.
