Tapestry of Grace Year 4 Literature (UG)

The Grace and Truth Upper Grammar Literature course will teach young students a love for literature as they read great literary works of Modern History. We will compare all these works to the most profound book in History, the Scriptures. Through class discussions, students will receive the tools to understand the bible more profoundly. We also include secular books to discern more insight into humanity. We will meet people and circumstances in these stories and train the students to respond to these with an accurate worldview before they encounter them in real life.

We do all this through a process of understanding, evaluating and enjoying. We understand literature first by taking the time to identify and describe elements in literature with clarity and accuracy. Then, we pull back and evaluate what we have seen biblically. Only then can we enjoy the aspects that give glory to God. Our world is saturated by entertainment through secular literature. Through this class, we teach our students discernment and teach them to respond to the secular world with biblical accuracy and humility.

We have added optional creative writing assignments throughout the year to teach children to write excellent God-glorifying literature themselves. The students will upload these once completed.

Student Preparations: Students will prepare for class by reading the assigned chapters in the book list, completing a literature response page and completing any creative assignments given throughout the year.
